

‘Satanic Ritual Abuse (SRA) and Programming’ Inner Healing and Deliverance Prayers

*The Spirit of the Sovereign Lord
is upon me, for the Lord has
anointed me to bring good news
to the poor.*

*He has sent Me to heal the brokenhearted,
To proclaim liberty to the captives,
And the opening of the prison
to those who are bound - Isaiah 61:1*

PLEASE NOTE – I RECOMMEND THAT YOU WORK YOUR WAY THROUGH THE OCCULT/WITCHCRAFT PDF FIRST, THEN WOUNDED SPIRIT AND SOUL AS THESE THREE AREAS OFTEN OVERLAP.

*******Most of the prayers in this PDF are unique and not a replica of other people's ideas ~ they are created through revelation of the Holy Spirit and our view of what He has shown us as He works with us. There may be the odd prayer or idea that has been added to our Ministry from others because it impacted us, but more often than not you will be viewing an original.***

All prayers are subject to change as God gives new insight and revelation. All prayers are to be prayed out loud. Often you will see we ask you to do a prophetic act. A prophetic act is an action of obedience as a step of faith in the natural (physical) realm that supports God's workings in the spiritual realm, to release the power, presence and victory of God into a situation.

Battle Prayer of Protection

Please note: When warfaring against satan and his demons we recommend staying within our God given boundaries such as our homes, families, businesses, belongings, Ministries and property. Operating outside of this realm of authority and attempting to tackle demonic spirits over larger areas usually results in unnecessary attacks. There is usually an anointing given from God with instruction to do so if strategic level warfare is to be done!

Ephesians 6:12 NKJV - For we do not wrestle against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this age, against spiritual hosts of wickedness in the heavenly places.

“Dear God, I call upon Your love and light to flow in the name of Jesus Christ. I ask for a spiritual hedge of protection, the covering of the blood of Jesus and your warrior Angels to guard all that which is within my sphere of influence. I ask You Father God to clothe me and my family in the full armour of God mentioned in **Ephesians 6** to stand against the wiles of the devil. Teach us how to stand in this armour and teach us how to pray. I ask also that You would equip us with any specific weapons or gifts required for any battles we might face. We thank You Father God for all angels assigned to us and ask that You would despatch them at Your discretion.

I repent for all sins I have committed, and on behalf of my family, that has allowed the enemy access to us. I ask that you would reveal these sins so we can repent and cover them with the blood of Jesus. I ask for all demonic access points to be closed so demons can only exit and not re-enter in Jesus name.

I speak to all demonic thrones, dominions, principalities, rulers of darkness, spiritual hosts of wickedness in the Heavenly places, strongmen and all other demonic spirits and command you in the name and power of Jesus Christ to immediately cease all attacks against me, my family, our pets, our Ministry, our house, home and property, our business and our belongings. I specifically command you to cease all attacks against our health and well-being. I command every demonic spirit who has access to us to leave now in the name and power of Jesus Christ. I close all channels of infiltration and command any astral travellers to leave and go back to their bodies in the name and power given to us by Jesus Christ. I then cut your counterfeit silver cord and anything else you use to astral travel to me, my family and my home in Jesus name. I bind the demons who give you this power to astral travel in Jesus name. I break all ungodly soul ties connected to myself, my home, pets, family and belongings that give demons and astral traveller's access to us. We ask You Jesus to deal with any demons and astral travellers who are refusing to leave.

I address all those who conspire and send curses against us and declare that I forgive you and I bless you. I claim Isaiah **54:17** and declare that **‘No weapon formed against us shall prosper’**. In the name of Jesus Christ I break every curse, spell, voodoo, incantations or hex that has been put out against any one of us. I break the power of any curse that has come down through our inherited blood-lines, and every enemy assignment or curse from any person, witch, or Satanist. I specifically reject and repel infirmity, pain, infection, inflammation, malignancies, allergies and viruses. I pledge the Blood of Jesus Christ to dismantle all enemy assignments against us. I put the Blood of Jesus between us and anyone or anything

that seeks to harm us. Thank You that we have passed out of the curse into the blessed life purchased for us by Jesus. I ask for these blessings to be bestowed upon us, our businesses, our health, our finances and Ministries.

Heavenly Father, I pray that your will and purposes be done in all our lives and Ministries. I ask that You release a greater anointing of Your Holy Spirit into us all - that we would know Your kingdom come and Your will be done on earth as it is in Heaven. Thank you Jesus, Amen.”

Please Note - Many of our prayers as an added precaution will include the term ‘ancestors’ to cover any sins that they may have participated in that you are unaware of.

Satanic Ritual Abuse (SRA) – Satanic Ritualistic Abuse is where a person is abused through methods of drugging and torture and brainwashed or programmed for satans purposes. It involves widespread, organized, and secretive groups engaging in horrific and ritualistic abuse, often including elements of Satanism, occultism, and extreme violence. Some of the common themes associated with SRA include:

Ritual Abuse: Children or vulnerable individuals are subjected to brutal and sadistic abuse in the context of Satanic or occult rituals. This abuse includes sexual abuse, physical torture, and even murder.

Secret Cults: The accused perpetrators are believed to be part of secretive, highly organized Satanic cults that operate covertly within society. These cults are believed to have vast networks and enormous influence.

Satanic Symbols and Rituals: Symbols and rituals associated with Satanism and the occult, such as pentagrams, black candles, and chanting, are often used as part of SRA.

High Level Freemasonry is one such avenue. At the lower levels participants have no idea what goes on in the higher levels. In the 33rd Degree and above it usually involves Illuminate level. The Illuminate refers to a secret society or group that is believed to control or influence global events from behind the scenes. It is widely believed that the Illuminati's goals include world domination, the manipulation of governments, economies, and social structures, and the pursuit of a New World Order. Common activities include human sacrifices, occult rituals, and other sinister practices. It is widely believed that this group are behind sex trafficking of young girls.

In covens' people may be kidnapped to be used as part of these rituals. Some of these may be used as a sacrifice whilst others are brainwashed or tortured to become a puppet for satan. The Lord once revealed to me that members of these covens murder people as a sacrifice to satan and then drink the blood or even sign a contract in the blood (or their own blood) to satan promising their descendants to him. If one has an ancestor that has done this then those people can become targets. Cult members watch and target them trying to influence them into the covens. Parents involved in covens can also willingly use their children as

participants. Demons may be placed inside a person as part of the abuse. The Lord told me that the extreme abuse suffered through Ritualistic Abuse actually severs the human soul. Instead of just fragmenting and splitting, the human soul is actually separated into two parts. The person can develop what is known by medical professionals as Schizophrenia, Bipolar or Split personality disorder. From there the two separate parts are then fragmented further into thousands of individual pieces and each piece is manipulated and controlled by the inner programming. Some programming can even go further and involve Military Programmers and programming. The programming and its effects is often referred to as the system. The "system" refers to a network of practices, rituals, and methods that are used by secret groups or organizations to exert control over individuals' minds and behavior. This can involve extreme forms of psychological manipulation, trauma, and coercive techniques that proponents of these theories claim are employed to create dissociative states in the victims and make them susceptible to control.

In this process alters are formed. Alters are simply parts of your mind that are locked up. They are a God given help in helping the core (main) person to continue with their life. A fragment of the soul splits to form separate identities that holds onto the pain and trauma. In deliverance the demons can be found behind the alters.

(PRAYER) – "On behalf of myself and ancestors I repent Father God for all forms of abuse including ritualistic and ceremonial that was bestowed upon others. I repent for all unforgiveness my family has held against others in regard to all forms of abuse. I forgive those who abused me and/or my family including all ritualistic and ceremonial abuse and pray blessings on them and their descendants. I repent for all murder where a human being was sacrificed as part of the rituals. I repent and renounce the drinking of blood and any contract or covenant that was signed using the blood of the victim (or our own blood) to sign family members over to satan and his services. I renounce all ceremonial and ritualistic practices and acts where I, and/or my family may have been ritualistically abused, wed, dedicated, given or promised to Satan, covens, other people and demons. I divorce satan, any covens and all demons and I say 'I do' to Jesus Christ and I announce that I am the Bride of Christ. I renounce and reject all guardians, demons and surrogate parents assigned to me and my family by satanists and occult groups. In Jesus name I declare that God is my Heavenly Father and the Holy Spirit is my guardian and I confess Jesus Christ as my one and only God, Lord and Saviour.

I break all contracts and curses made where there was a sacrifice, pledge, oath, vow, or any other means of dedication toward myself and/or other family members. I ask You Father God to burn and destroy all things used and kept as part of the dedication rituals including DNA, hair, nails, skin, blood and clothing. I wash away and dismantle all defilement, bonds, vows, curses, caveats, mottos, salutes, handshakes, declarations, covenants, spells, hexes, voodoo, incantations, teachings, assignments, binding contracts, oaths, blood oaths, blood ceremonies, blood sacrifices, bloodshed, drinking of blood, pacts, baptisms, false communion, agreement with the beliefs, rites and rituals made with satan and his demons. I wipe away all oil and blood from animals and humans that was shed and replace it with the blood of Jesus Christ and render all contracts null and void. I break connections and ungodly soul ties to all abusers and the place of all events in Jesus name. I

break every ungodly soul tie between myself and all other SRA victims with whom I am connected and tethered with in Jesus name. I command all those demons who use those soul ties to travel to me to all go in Jesus name.

Your word says that oaths are binding so I repent for all binding covenants that were made to satan and then broken and render satan and his army powerless and break any assignment against me in regard to retaliation of broken covenants and contracts in Jesus name.

Every demon involved with ritualistic, ceremonial and other forms of abuse, including any demons that were placed inside of me I now command you to leave in Jesus name. I also command all spirits of mental illness, schizophrenia, split personality disorder, double-mindedness, bipolar, madness, mania (hyperactivity), retardation, deaf & dumb, paranoia, insecurity, delusions, depression, hallucinations, manic depression and insanity I command you to leave immediately also. I release light and love in Jesus name, and I pray for the severed and fragmented pieces to be restored and repositioned back into their rightful place. Father I pray that where there was once confusion that there would now be peace. ***For God is not the author of confusion but of peace, as in all the churches of the saints (1 Corinthians 14:33, NKJV).***"

Bound to Satan (SRA) - Recently I was contacted by a lady who had suffered Satanic Ritualistic Abuse. She had described to me a vision in which she was in a cage at the bottom of the ocean with a red dragon who was wrapped all around her holding her down suffocating her. She had seen a contract floating in the water but couldn't read what it said. I agreed to do a session with her and said that I would not focus on her vision and deal only with what the Lord Jesus showed me because sometimes what someone is being shown could be deception. If it was God showing her that there was a fragmented part of herself being tormented and it needed to be set free then He would confirm this.

The day before her session I had fasted ready for the next day and decided to seek the Lord on an entirely different matter. He spoke to me immediately and said that He had the keys for this lady. This was unexpected as I normally seek Him while with the person needing ministry. I was immediately shown in a vision this lady at the bottom of the ocean with ropes wrapped around herself and the red dragon. I asked where the cage was and He reminded me that I had already sent to her a prayer about caging incantations where one tries to violate your free will and that the cage had already been removed. He then spoke and this is what I believe He said ~ ***"In Satanic Ritualistic Abuse the victims are soul-tied to satan in a ceremony. This means he is intertwined and knitted together with their soul. You cannot break free just from simply praying that you break those soul ties – it has to be done correctly. First of all a contract is made to not only serve satan but to be also be one with him. A satan-like creation. Just as you are becoming like Christ they are bound to become like satan. This ceremony and contract needs to be renounced. The contract is signed in ink by satan and the person involved or by a parent or guardian who gives consent for the child to be involved. Any contract or agreement made is then binding. Satan will do all he can to turn the person into a satan-like creation. If the person refuses to go***

ahead with the process it means the agreement is broken and satan will retaliate. Forgive the people involved with the ceremony and contract and repent for breaking the contract. Why would you repent for breaking an agreement or contract to satan? Any agreement, oath or covenant is binding and it is a sin to break it no matter who it is too. "Again you have heard that it was said to those of old, 'You shall not swear falsely, but shall perform your oaths to the Lord.' But I say to you, do not swear at all: neither by heaven, for it is God's throne; nor by the earth, for it is His footstool; nor by Jerusalem, for it is the city of the great King. Nor shall you swear by your head, because you cannot make one hair white or black (Matthew 5:33-36, NKJV). When you repent to God for all contracts/agreements that were made and broken you are not saying sorry to the devil (for to not serve the devil is good and right) you are saying sorry to God for making any agreements to anyone and breaking them. By breaking the sin through repentance you are forfeiting satan's power to unleash against you for not following through with his contract.

PRAYER – "Father God in Jesus name I repent and I renounce on behalf of myself and ancestors every ceremony performed to satan. I repent in Jesus name for everything that I and my ancestors did that bound us to satan. I repent and I renounce all contracts, covenants, agreements, pledges, oaths or vows made to satan to serve him and become like him, including ones that were done on my behalf by a guardian or caregiver. I forgive all those who bound me to satan. I take these contracts and agreements Lord Jesus and I nail them to the cross of Christ. **And you, being dead in your trespasses and the uncircumcision of your flesh, He has made alive together with Him, having forgiven you all trespasses, having wiped out the handwriting of requirements that was against us, which was contrary to us. And He has taken it out of the way, having nailed it to the cross. Having disarmed principalities and powers, He made a public spectacle of them, triumphing over them in it (Colossians 2:13-15, NKJV).** I renounce the binding of my soul to satan in Jesus name. I renounce becoming satan-like in Jesus name. (Ask Jesus to send His Holy Angels to unwrap the ropes that bind you to satan or get someone else to prophetically unwrap them for you and hand them over to Jesus and ask Him to burn them). I repent for every contact, agreement, oath, pledge, vow and declaration that I and my ancestors ever made that was broken. I declare that because of the repentance of these sins there will be no backlash because of broken agreements in Jesus name. I declare that I honour You Lord Jesus Christ and I vow and declare to serve You. I declare that I want to become Christ-like. I pray Lord Jesus that You would bind my spirit, soul and body to You. I want to become one with You. A Godly soul tie Lord Jesus that binds me to the Father, Son and Holy Spirit. I pray for healing Lord Jesus, and that You would heal those rope wounds that bound me to satan. Thank You, in Jesus name I pray, Amen."

Evil Alter – Recently I had been ministering to two woman who were victims of SRA (Satanic Ritual Abuse). One of them had told me that another minister had told her that her parts (which are fragmented parts of your soul and called alters) had been in the Second Heaven doing witchcraft. As always, I can never just accept things at face value unless God confirms and there is Scriptural backing, so I prayed to God to confirm or deny if this is something that happens.

I had previously known that there are three Heavens. In **(2 Corinthians 12:2-3)** the Apostle Paul describes a third Heaven in which he was caught up to and given amazing revelations. **Genesis 2:1** talks about how God made the Heavens and the earth. If there is a third Heaven, then one has to surmise that there are a first and second Heaven.

My understanding of these is as follows:

First Heaven: The term "first heaven" is not explicitly mentioned in the Bible. However, it is commonly understood to represent the sky or the atmosphere that surrounds the Earth, where clouds, birds, and weather phenomena exist. In this sense it is part of the earthly realm. Satan roams freely in this realm.

Second Heaven: The Bible refers to the second heaven as the celestial or cosmic heaven. It is the realm of outer space, where the sun, moon, stars, and other celestial bodies are located. It is often associated with the vast expanse of the universe. Satan's domain is the second Heaven and where He operates from. ***And you He made alive, who were dead in trespasses and sins, in which you once walked according to the course of this world, according to the prince of the power of the air, the spirit who now works in the sons of disobedience (Ephesians 2:1-2 NKJV).*** The word air in this passage in Greek is **Aer** and means lower and denser as distinguished from the higher and denser.

For we do not wrestle against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this age, against spiritual hosts of wickedness in the heavenly places (Ephesians 6:12, NKJV). The KJV uses the word high places instead of heavenly places and in Greek the word is **Epouranios** and is translated as

The Heavenly Regions

1. Heaven itself, the abode of God and angels
2. The lower heavens, of the stars
3. The heavens, of the clouds

Third Heaven: The third heaven is often associated with the dwelling place of God and paradise, a place of divine presence and glory. The third Heaven is where God sits on His throne. Satan will go to the third Heaven to petition to God in order to afflict us. This is also where the Heavenly Courts operate from. Although there is a Heavenly Court where an angelic and demonic government battle day and night this does not mean we go to the Courts of Heaven in order to request a court session and plead our cause. Jesus is our advocate and pleads on our behalf. We go to Jesus and submit ourselves to Him. Entering into the Courtrooms of Heaven means we are coming back under the law as we are asking God to judge our case when Scripture clearly shows us that God is in the mercy seat (Throne of Grace). We are not supposed to come before God and plead our own cause. Do you want to be judged through the legal system or the Throne of Grace?

A few years back the Lord Jesus took me to the second Heaven (satan's Kingdom) in a vision where I actually saw my soul leave my body and go to this place. In this place I saw a room where screaming souls were kept waiting for judgment. I was also shown satan's office and other rooms full of torture chambers. God had

previously taught me that the captive soul (where a part of the soul is carried away captive due to rebellion or disobedience) can be in Hades or the Second Heaven being tortured, but to try and understand parts of the soul performing rituals and being evil was way over my understanding and comprehension. I am also very aware that the devil is a master manipulator and deceiver and will teach fantasy and delusions to prevent people knowing the truth and how to get free.

A big part of my ministry in God is rescuing these captive souls. Once while in the second Heaven (as God took me there) I saw a cauldron and a witch and a part of someone's soul inside the boiling pot. The person was being tormented inside the pot of boiling potions which meant they were entrenched in witchcraft type attacks. God has taught me that when I see a person (such as a witch) in these places that they are not always demons but can instead be astral travellers and need to be dealt with differently. Astral travellers are real people who have projected a part of their soul using demonic power to travel the spirit realm. With these people they should always be told to leave but with that you should always bless them and ask God to exercise His righteous judgement against them. This means you are putting them in Gods hands to work in their live (hopefully to save them). You should never counterattack human people (even those who are working for satan) as it is not what the Bible says to do, so can tie God's hands and enable them to attack you without His fullest protection. After this always dismantle and break off what they have sent in Jesus name and bind the demon who gives them this power. The Lord also taught me that when the witches are in the second heaven, they are invoking powers and principality (high level spirits) against you.

Which leads me to the original question can parts/alters of your own soul be invoking witchcraft against you or others? Turns out the answer is yes and below is what God showed me but first I want to explain what conscious, subconscious and superconscious is ~

Conscious:

Consciousness refers to the state of being awake, aware, and perceiving both the external world and one's internal thoughts and feelings. It is the level of awareness that individuals experience in their day-to-day lives. When you are conscious, you are aware of your thoughts, emotions, sensations, and the environment around you. Consciousness allows for intentional thinking, decision-making, and voluntary actions.

Subconscious (Unconscious):

The subconscious (or unconscious) mind is the part of the mind that operates below the level of conscious awareness. It consists of thoughts, memories, desires, and emotions that are not readily accessible to the conscious mind but can influence our behavior and feelings. The subconscious mind plays a significant role in shaping our beliefs, habits, and automatic responses to various stimuli. It is often associated with deeper emotions, instincts, and the processing of vast amounts of information that happen without our direct awareness.

Superconscious (Higher Consciousness):

The superconscious (or higher consciousness) is a level of awareness beyond the normal waking consciousness. It is often seen as a higher, spiritual, or transcendent

state of consciousness. In this state, individuals may experience a sense of interconnectedness, expanded awareness, and access to higher wisdom, creativity, and intuition. Some spiritual and mystical traditions believe that the superconscious mind connects to a universal or divine intelligence.

If one is a witch, satanist or member of a cult they practice witchcraft. This includes spells, hexes, incantations, invoking spirits, rituals, oaths etc. Another part of this is to practice astral projection. Astral projection is when one learns how to eject part of the soul from the body to travel the spirit realm. Astral projecting to the second heaven and doing witchcraft there is invoking powers, princes and high-level demons against a person, place or situation. If that person then turned to Jesus and became born-again their soul may still spontaneously eject from the body until that demon and sin is dealt with. In this case they are no longer controlling it because the demon takes over. They can travel to all the same places but instead of being the tormentor they become the tormented.

In SRA the person is severely tormented leading to a shattered soul. In SRA some of these parts/alters are programmed to be evil. These parts can astral travel and go to places in the spirit realm to exact acts of evil. How can that be when the host (the core of the person) is not controlling it or even be aware of it? The host is put into a trance-like state and can dissociate. This means that in the natural they do not know what is happening because of mind controlling programming. In this state they are programmed to be evil and do satans bidding. The evil part takes control and becomes the astral travelling entity. The superconscious is the part used in astral travel. The subconscious and conscious work in unison too. When the mind is put into a trance-like state the conscious is rendered inactive while the superconscious becomes the dominant part whilst working with the subconscious. These evil parts then enter into evil acts.

(PRAYER) – “Father God in Jesus name I repent on behalf of myself and bloodline for all forms of evil and witchcraft I have knowingly or unknowingly done against You, myself, other people or Your creation. I repent for all those in my bloodline who forced others into these practices. I repent for all astral travelling practices where a part of my soul was projected into the spiritual realm. I forgive those who programmed me or used any form of mind-control to exert influence over my own free will to turn me into an evil person who practises evil things. I renounce and rebuke everything that was done to me in regard to this. I relinquish all evil parts of myself to You Lord Jesus Christ and I forgive myself for all the evil I have practised. . I ask that You would return these parts of myself back to me after You have cleansed, delivered and healed them in Jesus name. I take back control of my mind including the conscious, subconscious and superconscious and hand them over to You Lord Jesus Christ. I bind the demons and any people who renders my conscious inactive in Jesus name. I speak to my consciousness and declare ‘wake up in Jesus name’. I cast out the spirit of unconsciousness in Jesus name. I pray for the mind of Christ and for You Lord Jesus Christ to reprogramme my mind to become like Yours. I pray for cleansing, deliverance and healing and for my mind to become whole in Jesus name. I pray that the conscious, subconscious and superconscious would work together in unison as You intended. I bind and break all ability for my mind to be controlled by satan and his agents and I bind you from all attempts to put my

mind into an amnesic trance like state ever again in Jesus name. I declare that I have a sound mind in Jesus name. I break off all these mind-programming effects in Jesus name. I command confusion, forgetfulness, mind control, mind blocking, mind hindering, indecision and fragmentation to go in Jesus name. Thank You Lord Jesus, Amen.”

Satanic Royal Kingdom - 1 Peter 2:29 tells us that we are a royal priesthood. We are Kings and Queens within God’s Kingdom. We are co-heirs with Christ. Satan will try and counterfeit everything God has and everything God does. I recently did a session for a lady and during that session the Lord showed me she had satanic royal ties as a Queen in Satans Royal Kingdom.

What is satans royal kingdom? There are two Kingdoms – one belongs to God and the other to satan. God can put people in places of power and prestige to bring about His will and purpose and so can satan. The Lord told me that satans **royal** Kingdom is the Illuminati. The illuminate is a group of secretive global elites who control world events and governments from behind the scenes. They do the work and will of satan and this involves manipulation, control, and plans for a new world order.

In this ministry session I saw an image of the person I was ministering to, and she was draped across an exquisite velvet couch with a shawl of fur around her shoulders and a snake as her companion. She had a fake gold crown on her head. The Lord showed me that her ancestor was a high priestess within the Illuminate and had performed high level witchcraft and tortured many people. He showed me that this ancestor had done rituals against innocent people, drank blood, sacrificed babies and was very evil. Much of this is done for power and prestige. Her sins and iniquities had corrupted the DNA of the bloodline and this corruption flowed down the bloodline. This meant that the lady I was ministering to had to stand in the gap and repent and renounce the many acts that her ancestor had done so that the bloodline and the corrupted DNA that passed through the bloodline could be cleansed and healed. The Lord showed me that because of this lady’s ancestor and the many sacrifices, rituals and practices she had done, it meant that the lady I was ministering to had been marked since birth to follow suit. Many times, at these high levels people sign over their souls and their bloodlines to satan in contracts (sometimes written in blood) which means that the descendants can be targeted and taken and abused in these covens to either be sacrifices or groomed to become part of satans army.

The Lord told me that in the Illuminate High Level covens they are crowned in this Kingdom as Kings and Queens and High Priests and Priestesses. These are the people who are called to higher purposes in satans kingdom. They go through many rituals and ceremonies often being filled with very high-level demonic spirits. The demonic spirits are very vicious. Not only are the members willingly filled with these demons for prestige and power but so are the children who are being ritualistically abused in order for them to be controlled by them. In regard to the lady I was ministering to, I saw that she had been infilled with a very large reptilian type demon that looked like a dinosaur. The reptile demon is so deeply embedded into the person’s soul (mind, will, emotions and conscience) that the person also starts to act and be as them.

(PRAYER) – “In Jesus name I repent on behalf of myself and ancestors for any part or involvement in satans kingdom including ties to the Illuminate. I hand over my bloodline to You Lord Jesus for cleansing. I repent for all high-level witchcraft done against innocent people and I renounce the rituals that were done in regard to this. I repent for the sacrifice of human beings, including babies, and renounce the drinking of blood and repent for all the evil that was practiced. I divorce satans kingdom including his royal kingdom, the illuminate and any coven that I have been signed over to in Jesus name. I break every ungodly soul tie I have formed with satans kingdom, the illuminate and all those within this secret society. I destroy and renounce every contract that was made, including any that were signed or written in blood, as well as any soul covenants or contracts signing over our souls, or promising our bloodline to satan and his purposes in Jesus name. I renounce and willingly hand over to the Lord Jesus Christ any power, governance or prestige that was handed down through the bloodlines through satans kingdom. I renounce any title of royalty that was given through satans kingdom and I willingly hand over my fake crown to the Lord Jesus Christ. *(Take it off your head in a prophetic act and lay it down on the ground)*. I take of the shawl that I was covered in through satans kingdom and willingly hand it over to the Lord Jesus Christ. *(Take it off and in a prophetic act lay it on the ground)*. I renounce and divorce every demon that was layered into me and also that was assigned to me and my bloodline in Jesus name and command you to leave immediately. I declare **Luke 10:19** that I will stand on snakes and scorpions and have power over all the enemy in Jesus name. *(Throw the snake on the ground and stand on it)*. I now pray that I would be clothed in the garment of the righteousness of Christ and the garment of praise and be crowned with the crown of His resurrection life and glory in Jesus name. Thank You, Amen.”

Satan’s Army - I have been working with two ladies that were ritualistically abused since a young age in covens by satanists. In both cases the ancestors of the people were both High level Illuminate members and had sacrificed babies to foreign gods and had made vows and signed over their descendants using blood from the sacrifices to satan for His services. This meant that they were marked for satan’s services and throughout their lives they had people who had been assigned to them to watch over them and fulfil this purpose by taking them into the covens since birth.

In these sessions the Lord was showing me fragmented parts of them that were being held in various regions of captivity in the spirit realm. With traumas and severe abuse, the soul of man can fragment and crack and separate itself from the main core of itself. It is a coping mechanism to protect us from the pain. A wall is then built as a form of self-protection around that memory and pain. This wall is false protection and is built upon using lies from the enemy. This is known as a demonic stronghold. The wounded parts of us are known as alters. Alters are simply parts of your mind that are locked up. These alters can form from a very young age and they are a God given help in helping the core (main) person to continue with their life. The enemy can also take various parts/alters away from the body into different places in the spiritual realm and torment and torture them until Jesus sets them free. These places are believed to be in the second Heaven which is Satans Kingdom and is the realm of outer space, where the sun, moon, stars, and other celestial bodies are located, and Hades (below the earth) and also in the spiritual realm of the earthly realm.

The Lord has been talking to me a lot lately about His army that He is raising up ready for end times. These ones are being tried and tested through the fire of God and will experience a Pentecost type infilling and walk in a greater power and anointing. There is also an army satan is raising up for end times too. ***And I stood upon the sand of the sea, and saw a beast rise up out of the sea, having seven heads and ten horns, and upon his horns ten crowns, and upon his heads the name of blasphemy (Revelation 13:1, KJV).*** The Lord gave me this Scripture and revealed to me that satans army will rise up with the beast. A lot of the people in this army are innocent people that have been targeted, brainwashed and tortured ready to be activated at the appropriate time. There was a revelation some time ago about the Government and MK Ultra. The project aimed to explore various methods of mind control, psychological manipulation, and chemical interrogation, with the ultimate goal of developing techniques that could be used for intelligence gathering, espionage, and counterintelligence purposes. There was also speculation that it was also used to develop super soldiers although that was never 'officially' proven.

The Lord told me that there are training camps where satans armies are being trained. These places exist both in the natural (physical realm) and the supernatural spiritual realm. The spiritual places are where people either astral travel willingly to participate or where fragmented parts are taken captive and controlled and manipulated by satans elite. It is Illuminate/Deep State level lead and more often than not done in Military type bases using high level programmes. The Lord told me that they are preparing for the antichrist, the uprising of the beast. The antichrist (beast) will make war with the saints. Gods and satans armies will comprise of both physical people and spiritual beings (angels and demons) that will war against one another. Children have been and still are being taken into satanic covens (including High level Freemasonry Masonic Lodges at the 33rd degree) and are being brainwashed. They are being tortured which means their souls (mind, will, emotions and conscience) become so fractured and easily manipulated. Jesus told me it is His job to set the captives free and He is taking me into these spiritual places to do this work in His name and in His power. In these places I have met both astral travelling people and demonic spirits (including principalities and powers) and He has taught me how to deal with them.

Below are two areas in which God showed me were where parts of these souls were being trained for satans army. These are spiritual places and Jesus took me into those places with Himself in the spirit to rescue them.

Below is what I was shown and how these parts were rescued and set free ~

Military - UFOs and Aliens – One of the first things the Lord taught me years ago was that alien abduction is deception. There are no such things as true aliens or UFO's or beings that live on other planets. Aliens are demons posing as aliens and any UFOs are either spiritual and part of satans deception or manmade and part of the Governmental deception to bring in the One World Government and the mark of the beast system. It is my belief that aliens will be part of the deception that is introduced in end times. I would not be at all surprised if an alien/demon is the antichrist and reveals himself as the 'counterfeit' God doing signs and wonders. In the Bible there were accounts of angels manifesting in the flesh as humans – if angels can do this then it would make sense that fallen angels can do this too.

As I was ministering to one of these ladies the Lord showed me a part of her soul that was being tormented by alien demons in a UFO that was being held in a Military base. It was a part that had been taken captive in the astral realm and was being tormented by alien/demons. I saw her strapped to a bed while an alien was about to inject her with a huge hypodermic needle. She informed me that as a teenager she had experienced this very thing – being abducted and taken to a Military base and onto a UFO with aliens who were injecting her and placing markers and pins in her body. As I watched what was unfolding, I yelled out ‘stop in Jesus name’. The aliens all paused and turned to stare at me. I then prayed **Mathew 18:18** and prayed that whatever is bound on earth is bound in Heaven and whatever is loosed on earth is loosed in Heaven. I then in a prophetic act untied her from the bed. I then saw a man walk in with a suitcase and a contract that had been signed in blood promising his descendants to satan for his services. We needed to deal with that contract. The Lord told me that on these military bases people were being brainwashed to serve in satans army in the end times. These places exist both in the physical realm and the astral (spiritual realm). What I was witnessing was all part of the ritual abuse that the lady had experienced in her lifetime. After I had gotten her to repent of all God had shown me, I saw Jesus take her in His arms and take her out of the spaceship and into His care. Normally when I see Jesus set someone free from a spiritual prison, I will pray for Him to destroy that place, however in this instance He told me that I could not pray to have this place destroyed because there were many innocent people inside experiencing the same thing that this lady was who all needed Him to set them free.

(PRAYER) – “Father God in Jesus name I repent on behalf of myself and ancestors for all belief in aliens and UFOs. I repent for any fascination in these things and for ever trying to contact or look for extra-terrestrial activity. I repent on behalf of myself and bloodline for any involvement in the cover up or deception of aliens and UFOs. I forgive anyone who subjected me to this and bless them in Jesus name. I repent for every human being or animal that was sacrificed to other gods and every vowel and contract that was made, including that which was signed in blood that assigned my bloodline into satans service in Jesus name. I forgive anyone in my bloodline that gave me over to satans service in Jesus name. I declare that I divorce myself from satans service and satans army in Jesus name. I declare I join the services and army of the Lord Jesus Christ of Nazareth. Your word says that oaths are binding so I repent for all binding covenants that were made to satan and then broken and render satan and his army powerless and break any assignment against me in regard to retaliation of broken covenants and contracts in Jesus name.

If there is still a fragmented part of myself aboard a UFO or being tormented by aliens I command them to stop in Jesus name. I break every assignment against me in regard to abductions, UFO’s and Aliens in Jesus name. I declare **Matthew 18:18** and declare that whatever is bound on earth is bound in Heaven, and whatever is loosed on earth is loosed in Heaven. I loose myself free from the binds in Jesus name. I pray Lord Jesus that You would remove any markers, trackers, pins and chips from me in Jesus name. I purge out of my body the effects of whatever was in the hypodermic needle in Jesus name. I break all the brainwashing and pray for the mind of Christ in Jesus name. I break every ungodly soul tie between myself and UFOs and demons posing as aliens, and all places where this took place in Jesus name. I break every ungodly soul tie between myself and all the people involved in

Jesus name. I command every demon who is with me in regard to this to leave immediately in Jesus name. Lord Jesus I pray that any fragmented part of myself that was involved with aliens and UFOs is cleansed and healed and reintegrated back into the core of me in Jesus name. Thank You, Amen.”

Marine Kingdom – The Marine Kingdom the Lord showed me is under the sea. Leviathan is the principality over this region. I had a vision of the Lord taking me under the sea in a submarine to a place that looked like an igloo but was made of stone. As I was being taken there I saw an octopus blocking the submarine and the Lord revealed it was Jezebel and told me to pray for a Jehu anointing (Jehu is the person who defeated the woman Jezebel in the Bible). He then told me to pray **Isaiah 61** and I saw the Lord fire an arrow into the octopus’s eye which distracted it enough to unblock our path. He told me to pray two scriptures to bind Leviathan so He could take me in there to rescue two parts of the soul of the person I was ministering to. The Scriptures were **Psalms 74: 12-14** and **Isaiah 27:1**. After I prayed the scriptures, I saw the doors of the igloo type building open and there were two guards bound and gagged. Wow Jesus had surely gone ahead of me and prepared the way. Leviathan was bound and gagged as a result of the word of God. Inside the building was a mezzanine floor with a flight of stairs. There was a room to the left that had a closed door. To the right was a jail cell and the door was already open. I saw rows and rows of beds where other people I assume were being held captive. I saw the person I was ministering to bound and gagged and sitting in front of a mirror. I got her to forgive those who had done this to her, and God revealed two places to her where she had been taken in the physical realm as a child and had rituals and dedications taken place. One was a sect of Freemasonry whilst the other was a Gang. She renounced these, repented of rituals, initiations, contracts etc then divorced them and discarded any memorabilia and regalia. I then in a prophetic act and in accordance with my vision untied her and removed her gag. Jesus and I then in my vision lead her out of that place.

The second part of her soul was upstairs. I saw myself and Jesus walking up the stairs where I then found an elevator. The elevator went to the very highest floor and I saw another part of her in a room with lots of computer equipment. She was dressed in a Military Airforce uniform, and I saw that she was in control of this room and equipment. In this room was a red button and the Lord told me that the button was to activate and release destructive weapons. She was being trained to do this in end-times during the war. I got her to repent for any involvement in the end times army and for her role as the controller of the switchboard that would release destructive weapons. I then saw Jesus with His holy fire burn that control panel and watched it melt. I then saw Jesus, myself and the person leaving that room and going down the stairs and back outside to the submarine to escape that place. I was told by Jesus that again I could not ask for Him to destroy this place as there were many souls being held captive here.

(PRAYER) – “Father God in Jesus name I repent on behalf of myself and bloodline for all involvement in Marine Kingdoms. I renounce being given over to Marine Kingdoms and repent for any contracts, covenants, oaths and vows that were made, including any that were done with sacrifices to other gods. I divorce myself from the Marine Kingdom including Leviathan and the Octopus demon in Jesus name and I willingly give myself over to the Kingdom of Jesus Christ of Nazareth. I

repent for every human being or animal that was sacrificed to other gods and every vowel and contract that was made, including that which was signed in blood that assigned my bloodline into satans service in Jesus name. I forgive anyone in my bloodline that gave me over to satans service in Jesus name. I repent for any work I may have already done in satans army in Jesus name. I declare that I divorce myself from satans service and satans army in Jesus name. I make void and nullify any position I have been given by satan in his army in Jesus name. I declare I join the services and army of the Lord Jesus Christ of Nazareth. I seek forgiveness for any binding agreements made by me or my ancestors that have been broken. I hereby nullify the influence of any negative forces and dismantle any plots aimed at retaliating against these broken agreements in the name of Jesus. I break every ungodly soul tie I have formed with the Marine Kingdom and anyone involved in Jesus name. All demons involved with the Marine Kingdom and Satans Army I command you to leave immediately in Jesus name. I pray Lord Jesus that You would cleanse, heal and deliver this part of me and integrate this part back into the core of me in Your timing. Thank You, Amen.”

Bride of Satan - Many people (male and female) are promised to satan as his bride. If our ancestors have been involved in high level witchcraft and covens they will make a blood covenant with satan promising all sons and daughters within the bloodline to satan as a bride. Many people in covens go through the actual wedding ceremony and become actual brides. Others who never get mixed up in these things still have the promise of dedication over them which enables demonic spirits access to them.

(PRAYER) - "On behalf of myself and ancestors I repent and renounce all ceremonies, promises, marriages, contracts, wedding vows and blood covenants made with satan and his agents in regard to being a Bride of Satan. I (*name*) declare that I forgive all those who dedicated and promised me to be a Bride of Satan. I renounce this promise and I renounce the ceremony. I tear up all marriage contracts to satan in the name of Jesus Christ and break it off all women and men in my Bloodline who do not want to be a Bride of Satan. I remove the wedding ring from my wedding finger and throw it into the fire Father God that You have prepared in advance. (*Discern where the fire is and throw it in*). I remove the black cape from around my shoulders and throw that into the fire. I remove the veil over my face and head and throw that also into the fire. I ask that You Father God would burn the marriage contract between myself and satan, and every other man and women in my bloodline who is affected. I declare out loud that "I divorce satan in Jesus name. I now command every demon who is with me in regard to this marriage to satan to leave immediately in the name of Jesus Christ. I declare that You Jesus Christ are my husband and that I am a Bride of Christ, Amen".

Sex Slave Programming – Recently I had been ministering to a lady who had been taken at a young age into a coven (Illuminate level) and programmed to be a sex-slave (among other things). This meant she had been having sex astrally and in the natural realm with no actual knowledge or willing participation herself. She would talk to me about a policeman that was always outside her window watching and how

she would disassociate and lose time and wake up with her door unlocked the next day and find herself dishevelled, sore and bruised with snippets of memories of performing sexual acts. In these times she would recall flashing lights from cars (which were sometimes parked in her driveway) beforehand which later the Lord showed me were trigger flashings to activate her programming. To add insult to injury He showed me that not only was she programmed to do these things, but also programmed to manipulate and control others to do the same. All this was being done without her consent or knowledge.

Below is a prayer that He gave me to break this off oneself ~

(PRAYER) – “Father God in Jesus name I repent on behalf of myself and bloodline for all sexual sins. I repent for the act of performing illicit sexual acts on others and for being a sexual worker. I forgive those who have programmed me to be a sex slave and I also forgive those who activate me through triggers to manipulate me to perform these acts. I bless them in Jesus name. I forgive and bless those who watch over me and/or track me ensuring that I continue with these acts. I repent on behalf of myself and bloodline for participating in the programming of others and manipulating them to become sex workers. I willingly hand over every part of myself to the Lord Jesus Christ of Nazareth that was programmed or manipulated to be a sex slave and I ask You Lord Jesus to cleanse, deliver and heal these parts of myself and in your timing when You know it is safe to integrate them back into the core of myself. I willingly hand over every part of myself also to You Lord Jesus that has played a part in programming or manipulating others to become sex slaves to be forgiven, cleansed, delivered and healed and integrated back into the core of myself in Your way and in Your timing. I pray that You would also cleanse, heal and deliver those ones that I or my ancestors manipulated and controlled to become sex slaves. I forgive myself and my ancestors for these practices in Jesus name. I break every ungodly soul tie from myself and all those who played a part with me in these practices knowingly or unknowingly. This includes those I had sexual acts with, those I coerced into performing sexual acts and those who coerced me into these practices. All demons and astral travellers involved with all this leave now in the name and power of Jesus Christ. Father God please deactivate all programming including trackers from me and from all those whom I and my ancestors programmed or manipulated in this way. Anyone who has been sent to watch me I forfeit your assignment now in Jesus name. I ask You Father God in Jesus name to remove these people from my life. I pray also that You would cleanse my eyegate and eargate from all that I have seen and heard in Jesus name I pray, Thank You, Amen.”

No sooner had I sent her this prayer when she messaged me and told me that two men had pulled up in her driveway and were flashing their lights. She prayed the prayer I sent and she said that she could feel the part of herself trying to become dominant and take over. She kept praying. Eventually the men drove away and she was safe.

The next day this happened again but this time the prayer did not stop this. She was again taken by them and used and abused sexually. This really upset me that the prayer only worked one time so I sought the Lord as to why and this is what He said ~ ***“There is a part of her soul in captivity. She is a slave to the Sex kingdom. There is a Sex Kingdom. I have not yet taken you there. You have been to the***

Marine Kingdom and the Military Base but not here. When one has a part of their soul captive in the Sex Kingdom it means that satan has it in his hands and it can still be accessed. This is why the prayer was not enough. The part needs to be rescued and set free and taken out of their hands so they can no longer access her”.

A few days later I had my session with her. The Lord straight away took me to the Sex Kingdom. I saw that it was in the second heaven and right next to satans office. The Lord told me that satan himself attended and took part in this place. I was shown the door and I opened it and the people inside were committing the most awful sexual atrocities. I felt very uncomfortable. I then saw the lady I was ministering to inside this place dressed in S and M gear and holding a whip. The Lord told me that this part had been programmed to be dominant and love all this sexual stuff and wouldn't want to be rescued. After I spoke to that part of her she told me to go away and said she had no intention of leaving this place. The Lord told me that this part hated men and thought they deserved to be punished and loved the power that satan gave her when she was in control. I then saw satan enter the room and saw this part of her perform sexual acts on him. He kept saying 'whose ya Daddy, whose ya Daddy'. It really was not a pleasant place! I spoke to Jesus and said, 'I am at a loss I have no idea how to set her free'. No sooner had I said this when the Lord Jesus Himself entered the room. His white robe emanated around the room and the presence of His holiness made everyone in the room stop what they were doing. I saw the part of the woman I was ministering to stop and look at herself in shame. She started saying 'what am I doing, what am I doing, I am so ashamed'. I was then able to lead her into repentance for all the things the Lord had impressed upon me. I then saw the Lord Jesus take her hand and lead her out and away from that place. As much as I had felt so uncomfortable in that place I was so amazed at how His holiness had convicted the people in that place of their wrongdoing.

(PRAYER) – “Father God in Jesus name I pray that the Lord Jesus Christ would emanate His holiness into those areas within me that are enjoying sinful sexual practices. On behalf of myself and bloodline I repent for loving being used for sexual practices. I repent and renounce the power I receive from these sexual practices. I repent for using sex to dominate, manipulate and control others. I repent for all sexual practices that were done with satan and his demons in Jesus name. I repent for all hatred toward the opposite sex and I choose to forgive them and bless them in Jesus name. I forgive myself for all these things in Jesus name. If there is a part of myself in captivity in the Sexual Kingdom I ask that You would rescue this part and take me away from there in Jesus name. I ask that You would wash me clean Lord Jesus and clothe me in the robe of righteousness. I divorce the Sexual Kingdom and break every ungodly soul tie to this place, people, satan and demons in Jesus name. Every demon who is with me because of my connections to the Sexual Kingdom and all sexual practices I command you to leave now in Jesus name.”

Re-programmed Parts – I had recently been doing some sessions for two woman who have suffered SRA and mind-control programming. For one of them the Lord had gotten me to rescue a fragmented part in the second Heaven that had been programmed to do witchcraft against herself and others and for the other He had

gotten me to rescue a sexual part that was also in the second Heaven that was programmed to be a sex slave. I had been given a prayer for each of them by the Lord Jesus to relinquish the evil parts and the sex slave parts and then been taken into the spirit realm to rescue the ones in control over the others. The Lord told me that He was keeping the parts with Him in the third Heaven until all the open doors had been closed so the cult could not access them and reprogramme them again. Once all the legal rights had been dismantled He was going to integrate the healed and delivered parts back into the core of the body into wholeness again.

The sessions were fantastic, I witnessed these parts been set free and going with Jesus. The next day however both of them told me that those parts were still being accessed by the cult. I wasn't very happy and thought maybe I had been deceived in the session, or that maybe they were deceived somehow into believing this. I sought the Lord and He showed me why they were still being accessed and performing evil and sexual acts. This is what He told me ~ ***“I have the parts you rescued, they are still with Me and the enemy cannot access any of them. The left-over parts are no longer sexual nor evil so the sexual and evil programming cannot be activated anymore. The parts left behind (still bound to the covenant) are still being accessed and when the cult sees that they can't access that part that was rescued anymore they then choose a lesser part that was programmed for something else and reprogramme that part for the part that was rescued. In other words, it steps up and takes its place. This makes the host and the minister believe they have failed and nothing is working. The cult will eventually run out of parts to reprogramme as we keep rescuing them. What then is one to do with the newly programmed part that takes on the role of the part that was already rescued? You pray and re-establish the prayers and ministry you have already done!”***

(PRAYER) – “Father God in Jesus name thank You for all the parts of my soul that You have rescued. Thank You for the ones in Your care that You are hiding from the enemy. Father God every prayer and all Ministry I have previously had done including soul retrieval I re-establish in Jesus name. Any wrong ministry or wrong prayers I ask that You would negate these in Jesus name. I ask that in Your grace and mercy You would re-hear every repentance and renouncing prayer I have ever prayed and that You would re-rescue every part that has been trained and reprogrammed to replace those rescued parts. Take them out of the enemies' hands and take them into Yours. I ask that You would integrate all parts which are healed, whole and delivered back into the core of Me when the timing is right Lord Jesus.”

******* This prayer needs to be prayed daily for those who are receiving Ministry for SRA and Programming.**

Witchcraft Curse of Death – I was recently doing a session for someone who had suffered ritual satanic abuse where had taken place in a satanic covenant when she kept getting attacked by High level witchcraft and demonic spirits. The Lord told me that when one starts seeking out deliverance from these things the covenant is activated and starts to send witchcraft against them and more specifically a witchcraft curse of death.

The term "death spell" is used to describe a spell cast with the intent to harm or bring about misfortune upon individuals. Such spells are commonly employed as a means of seeking revenge, especially for those seeking retribution or to cause significant harm.

I also heard another lady speaking on this and she said that when one is being ritualistically abused they are forced to make vows, oaths or covenants that if they expose any of the secrets, or start to remember what was done, or start to break free they agree to punishment being sent against them so this also needs to be renounced.

As I was writing up about this the Holy Spirit reminded me about the demonic weapons I occasionally see in people and how I had once written about this and how one of them was a 'witchcraft curse of death'. He taught me that satan will use demonic spirits as spiritual weapons to attack people and these can be known as spirits of affliction. We can be suffering a physical pain or an infliction because of these weapons.

(PRAYER) – "In the name of Jesus Christ I forgive those who are sending a witchcraft curse of death against me and all that is within my sphere of influence. I bless them in Jesus name. I repent and renounce any oath, vow, covenant or contract where I agreed to punishment for exposing any secrets, or starting to remember what was done, or for breaking free. Your word says that oaths, vows, contracts and covenants are binding so I repent for everything I bound myself too and broke. Any assignment against me from broken agreements, vows, contract, covenants and oaths I now render null and void in Jesus name. I now break that witchcraft curse of death and command the spirit of death and witchcraft as well as all other spirits of affliction to go in Jesus name. I cancel your assignment against me and all that is within my sphere of influence in Jesus name."

*(Get someone else to remove the Weapon by gently pulling it out) - **Diagonal sword or spear going through the left shoulder through to the midriff***

(Lay the weapon on the ground and give it to the Lord Jesus Christ. Lay hands on the wound and ask for Jesus to cleanse with the blood and to heal with the healing balm of the Holy Spirit).

(Declare) – "No weapon formed against you shall prosper, And every tongue which rises against you in judgment, You shall condemn. This is the heritage of the servants of the LORD, And their righteousness is from Me," Says the LORD (Isaiah 54:17, NKJV)".

Fire Sacrifices to Molech – During one of my sessions with a lady who had suffered SRA she was shown that there were cages and cages of parts of souls that looked like her, in captivity in the fires of Hell. The cages were stacked up from the bottom of the abyss and just went up and up and up. When I asked God about this, He took me in the spirit, and I saw these cages stacked up with children inside and they were screaming and screaming as their flesh was falling off and burning in the fires of Hell. The Lord then told me that her ancestors had sacrificed their own

children to Molech through the fire. ***You shall not give any of your children to offer them [by fire as a sacrifice] to Molech [the god of the Ammonites], nor shall you profane the name of your God [by honoring idols as gods]. I am the LORD (Leviticus 18:21, AMP).***

Normally when God has taken me into the spirit realm to rescue a part of the soul in captivity it has always been the sin or trauma of the actual person that is revealed. In this case I was seeing the person I was ministering to having a part of her soul in captivity, yet the Lord said the sin was from her ancestors sacrificing their own children through the fire to Molech. Not only this the trauma that the children had suffered was being repeated over and over again and it was her own soul that was experiencing this torment (among other captive family members). I then asked Him how this was possible to have a part of your soul in captivity from an ancestor who sinned.

This is what I believe He spoke to me about this (both in the session and after) ~ ***“Just as you inherit your ancestor’s corrupt DNA (blood to blood) you can also inherit ancestral captivity. Generational iniquity (guilt, blame and punishment) is handed down. If an ancestor has sinned then you are also judged guilty and receive the same punishment for their sin. This is how the generational curse line works.*** (You see this in the many diseases that families can inherit and carry from one generation to the next). ***Not only can you inherit demons, sickness and disease you can also inherit generational captivity from the sins of your ancestors. When one is born-again you can then repent and confess these sins and become whole again. The captive part of your soul that was caused by their sin means some of your parts are in captivity before you are even born. Not only are they in captivity but you are too. Does someone automatically become whole when they die and pass from earth into Heaven? Yes absolutely – not one part is left behind. Just as one who had sickness and disease on earth who has died becomes healed and whole in Heaven, so too is the one who had parts of their soul in captivity. This does not mean that the descendant’s captive part is automatically rescued alongside their part when they die. These ones with active captive parts still need to be dealt with. Once dealt with through repentance and confession of sin then those captive parts can be rescued too. If one dies and is not born-again and does not go to Heaven, then that part remains in captivity alongside all other parts being tormented and tortured in multiple ways. The more parts in captivity the greater the torment and torture for the one who has died and are not saved.”***

In the case of this lady whose soul was being tormented not only did she have to repent for what her ancestors had done, but she also had to stand in the gap for the children who were burnt alive and forgive the family members who had done this on their behalf. Rebellion and disobedience are both avenues in which generations of souls can be taken captive and unforgiveness is another one of those avenues.

One of the beliefs that I have seen that is quite prevalent among SRA survivors is that there is a belief that dead spirits (including ancestors) can attach themselves to you as part of the torment. God taught me many years ago that the belief in dead spirits wandering the earth was deception and a lie from the enemy to lead people away from the truth of needing Jesus as your Lord and Savior for eternal life. Those who believe this, it gives a false sense of comfort that upon death you can visit loved

ones, wander the earthly realm etc. This snare frequently manifests through the practice of witchcraft, where individuals consult with mediums claiming to have access to a "familiar spirit" in pursuit of hidden knowledge or enhanced power. But what exactly is meant by the term "familiar spirit"? According to Merriam-Webster's dictionary, a "familiar spirit" denotes a "spirit or demon that serves as an advisor or servant to an individual." The Bible teaches that upon death you go back to God to be judged and go to Heaven or Hell. ***Then the dust will return to the earth as it was, And the spirit will return to God who gave it (Ecclesiastes 12:7, NKJV).***

And as it is appointed for men to die once, but after this the judgment (Hebrews 9:27, NKJV). If sent to hell, then that person remains in torment. Scripturally ancestral spirits cannot attach themselves to you or live in you. ***“As the cloud disappears and vanishes away, so he who goes down to the grave does not come up. He shall never return to his house, nor shall his place know him anymore” (Job 7:9-10, NKJV).***

What about living astral travellers? Can they astral travel and live in your body or soul? The Bible talks about soul ties. Soul ties are ties that bind and demons can pass through these from person to person but people themselves cannot live in or enter your body. This is not Scriptural. The Bible talks about soul ties and how two souls can be knitted together. Imagine two people side by side (touching) and a rope being stitched joining them together. This is the closest they can come to living in you. In the case of husband and wife (and even fornication) the Bible uses the word cleave which means to glue or stick together. Astral travellers can attach themselves to you, but it would only be for a short time as they need to get back into their bodies otherwise the core of them is left incomplete. People who astral travel risk a lot of tearing within their own souls as they eject part of their soul out of their own bodies and knit themselves together with other people, more so if committing astral sex in the spirit realm as the joining together of the souls is classed as cleaving and that means to glue or stick together.

(PRAYER) – “Father God in Jesus name I stand in the gap on behalf of my bloodline and repent for sacrificing children through the fire to Molech and to any other god, goddess or deity. I specifically repent for the sin of sacrificing our own children to Molech and any other god, goddess or deity through the fire. I stand in the gap for the children in my bloodline who were sacrificed through the fire to other gods, goddesses or deities and forgive those who did this, and I specifically forgive family members for this act. If there are parts of my soul and descendants souls in captivity from these sins I ask that You Lord Jesus would rescue them and cleanse them, deliver them and heal them and reintegrate them back into the core of each one of us all in Your timing. I command all demons to leave us all now in the name of Jesus Christ. I renounce any belief that dead ancestors can live in me or attach themselves to me. Any demons posing as ancestors I command you to leave now in Jesus name. I renounce any belief that astral travellers can live in my spirit, soul or body. Any astral travellers that have attached themselves to me I choose to forgive you and command you to leave right now in Jesus name. I bind and cast out the demon who gives you the power to astral travel to me right now in Jesus name. I break any ungodly soul tie between us in Jesus name and ask You Lord Jesus to heal any damage from the binding and gluing in Jesus name. All demons who use these

ungodly soul ties to travel to me I command you to leave me now in Jesus name.”

Death Rituals – As I was doing a session for a lady who had suffered SRA the Lord showed me a great whirlpool of water. I saw the fragmented soul of the lady trapped in it. The Lord told me that a part of her soul had fragmented and was taken captive and was being held in this whirlpool of water. He told me that one of the rituals done in these types of covens was a ritual of drowning causing a near death experience. The person would repeatedly be exposed to water and held under to the point of death then released. The soul would fragment during this trauma and then be held captive experiencing this ritual over and over again. This meant that the person would experience episodes of feeling as though they were drowning, suffocating and not breathing.

The Lord then took me in the spirit to this place where the whirlpool was. I heard the Holy Spirit and it proceeds from the Father and from Jesus. When we drink the living waters we are washed clean and have all the filth of the world purged from us and then rise up in resurrection life. **Husbands, love your wives, just as Christ also loved the church and gave Himself for her, that He might sanctify and cleanse her with the washing of water by the word, that He might present her to Himself a glorious church, not having spot or wrinkle or any such thing, but that she should be holy and without blemish (Ephesians 5:25-27, NKJV).**

Out of our bellies should flow rivers of living water because the Holy Spirit is in us. If one is programmed to be afraid of water and reject the Living Water (Holy Spirit) and are instead infused with ‘dead rivers of water’ they cannot experience the fullness of His life that He freely gives us and will instead walk in deadness of life. God is called the fountain of living waters. **For my people have committed two evils; they have forsaken me the fountain of living waters, and hewed them out cisterns, broken cisterns, that can hold no water (Jeremiah 2:13, KJV).** This shows us that the water flows out of Him. In fact the water proceeds from both the Father and the Son. **And he shewed me a pure river of water of life, clear as crystal, proceeding out of the throne of God and of the Lamb. In the midst of the street of it, and on either side of the river, was there the tree of life, which bare twelve manner of fruits, and yielded her fruit every month: and the leaves of the tree were for the healing of the nations (Revelation 22:1-2, AKJV).**

He then told me to pray scriptures over her that talk of living water and then ask her if she would accept His living water. I saw a picture of Him standing with water proceeding forth from Him and causing a huge waterfall. I saw Him take a cup and fill the cup with His living waters and offer it to her to drink. I told her to go fetch a cup of water and bless it and in a prophetic act drink from it. I prayed over her and broke all the death and fear of death and fear of drowning as she drank. The Lord told me that this single act negated the dead water rituals and exchanged them for His life. I then saw Jesus outstretch His hand and pull her out of the whirlpool and unto Himself.

(PRAYER) – “Father God in Jesus name I forgive those who subjected me to Near death experience rituals including drowning with water. I stand in the gap for my bloodline and repent for anyone who did these rituals on anyone else. I repent for any fear and avoidance of Your Living Water and renounce all allegiance with Rivers

of Dead Water. **(Prophetic act)** – *Take a cup of water and bless it and declare that you accept His living water in Jesus name.* “In Jesus name I accept Your living water and pray that You would wash me clean with the washing of water by the word. I declare that out of my heart will flow rivers of living water. I break all the death rituals from myself and from my bloodline in Jesus name. I command all death, fear of death, and fear of drowning to leave immediately in Jesus name. I receive the fullness of life that Jesus Christ has for me in Jesus name, Amen”.

But whosoever drinketh of the water that I shall give him shall never thirst; but the water that I shall give him shall be in him a well of water springing up into everlasting life (John 4:14, KJV).

In the last day, that great day of the feast, Jesus stood and cried, saying, If any man thirst, let him come unto me, and drink. He that believeth on me, as the scripture hath said, out of his belly shall flow rivers of living water. (But this spake he of the Spirit, which they that believe on him should receive: for the Holy Ghost was not yet given; because that Jesus was not yet glorified.) (John 7:37-39, KJV).

Unholy Communion – I was once ministering to a lady who had suffered SRA when the Lord showed me a vision of a group of people in an unholy Church with satan up the front preaching. I then saw a bucket beside him with an aborted foetus inside soaked in blood and a leg from a child that had been cooked, sitting on a plate. I then heard the words ‘unholy communion’. The Lord then began to share with me that satanists in high level covens partake in unholy communion which involves drinking aborted foetus blood (or sacrificial blood from a sacrificed human) and cooked human flesh. This is to replace the wine which is symbolic for the Blood of Christ, and the bread which is symbolic for the Body of Christ. He told me that they eat and drink this unholy communion to gain power. The aborted baby and/or the sacrificed person is given as a sacrifice to satan (who is sometimes called Lucifer in some covens) first, then consumed by the members after.

The Lord told me one needs to renounce this and renounce the power obtained by this practice and cancel it with taking His communion.

(PRAYER) – “Dear God in Jesus name I repent on behalf of myself and my bloodline for all human sacrifices to other gods, goddesses and deities including satan and Lucifer. I renounce the power that came from this practice and give it up to You Lord Jesus Christ. I repent and renounce the partaking of unholy communion which involves drinking either foetal blood or blood from a human sacrifice and eating the body of a human sacrifice.”

(Bread or cracker) – “I take this bread which represents the body of Jesus Christ been given for me and cleanse my being with this bread.” *(Eat)*

(Wine or Grape Juice) – “I take this cup which represents the Blood of Jesus Christ shed for me and I pray for the deliverance and healing of every anomaly within my blood and my entire being in Jesus name.” *(Drink)*

“Thank You Lord Jesus Christ, Amen”.

False You (The System) – During my time of ministering to a few SRA victims they kept sending me things from other people who were also ministering that I knew nothing about. These areas were to do with the High-Tech Mind Control Programming and I will not touch or go into areas unless Jesus confirms with me that I am mandated to do so. These areas that they wanted me to go into involved things like Grids, systems, parallel universes, infinity loops, Quantum entanglements, kabbalah trees, Fallen Angel Technology and Inner World programming. To be honest a lot of the stuff they talked to me about sounded whacky and I did not want to get into any deception, so I prayed to Jesus and asked Him to show me what I was to watch, read or listen to. I asked Him to show me what was truth, lies, fantasy and delusion as I could see that there was a mixture of all.

One of the things I did know was truth was that many SRA victims are also victims of Governmental programming. When I first started ministering, the Lord told me clearly that I was not a deprogrammer, and He would **not** teach me how to de-programme. Many SRA survivors have military type-high technology programming so that posed a problem. How could I help set these people free from the programming if I was not going to do deprogramming?

The SRA survivors talk a lot about ‘the system’ and how they are controlled through the system. Not knowing what on earth the system even was, I decided to seek God on all this as it was over my head and just too confusing.

This is what I believe He spoke ~ ***“I am going to talk to you now about the grids, infinity loops, kabbalah tree and inner programming just as you asked Me to. These things are all part of the system and what is programmed in. High-tech. Can it be dismantled? Of course. How? By disconnecting the system. Why deprogramme when I can just disconnect it. No system, no programme, no monitoring. I am going to share with you the most wonderful way to set the victims of this programming free. Is it real? Yes. It is full of fantasy, lies, deception and delusion. It makes those who are affected see and experience things as though they are real.*”**

Fallen Angel Technology – Satan has intelligence and can do many things. He however cannot do anything more or above what I allow and he can not go above my creation. Are you ready for this prayer?”

Straight after this revelation I wondered if I was truly hearing from Jesus. Was this scriptural? Is it really this easy? Disconnecting from the system. What even is the system. First off I decided to do an indepth study of what the system that SRA survivors talk of even was.

This is what I learned ~

System - This term is used in several ways. It is frequently used to refer to a victim of total mind control because the victim consists of alters, programming, implant(s), internal computers, and numerous dissociative states which function together as a system. The word is also infrequently used to denote the established social-economic-political system controlling the world, also known by insiders as the

Network. The purpose of the mind-control is to build a System within the mind that is a human robot. Internal computers are complex. We are not talking about actual physical computers built out of physical microchips, wires, condensers etc. This is simply an anchoring memory that the programmers begin with. The method chosen was to build "computers" into the slave's mind that would internally regulate everything. They do this by taking hundreds of the alters and dehumanizing them and turning them into parts of a computer. Each alter would be programmed on how to view life, to act, to think, and to function in their job. Each alter is linked to a computer (internal-not an external one) built from a foundation of fear and trauma. Since each section of alters was to remain secret, each section of alters for a slave is given its own computer, and then linking computers were built to link the various sections, and then finally a major backup computer is built, and then finally the internal Beast computer. This is all built internally in the mind of the victim. By stringing 1,000's of alters together with single tasks, a highly sensitive system of alters can be created. The system was created using drugs, hypnosis, torture, electric shock treatments, and high-tech electronic equipment. Codes, triggers, implants and cryptic keys are all used to active the programming. Strobe lighting can be a trigger for a beta state (awake and alert) consciousness to an alpha state (relaxed wakefulness), then to a theta (deep relaxation) and then delta (sleep state).

Monarch Mind Control is the name of a system of mind control that evolved out of Satanic Ritual Abuse and the MK Ultra research program. Project MONARCH could be best described as a form of structured dissociation and occultic integration, in order to compartmentalize the mind into multiple personalities within a systematic framework.

MK-Ultra, also known as the CIA's mind control program, was a covert and highly controversial research program conducted by the Central Intelligence Agency (CIA) in the United States during the Cold War era, specifically from the 1950s through the early 1970s. The program aimed to develop techniques for mind control, behavioral manipulation, and psychological warfare. The name "MK-Ultra" is derived from "MK" for "Mind Control" and "Ultra" as a reference to the highest level of security classification.

Electro shock is used to control a person and to erase memory. Equipment has been developed to alter states of consciousness electronically, and also to track, and monitor victims. The most serious development in electronics for mind-control is their ability with high tech equipment to actually place thoughts into a person's mind. Harmonic machines (given code-names) are now being used to do lots of the programming. Powerful individual & mass-mind control can take place via electronic means.

Mind Control Implants can be implanted in nasal cavities, skulls and the inner brain cortex. There are also chips that contain small computers that can be implanted that is controlled by a large network of computers. An implant can listen to the signals your brain sends and can also send signals back to your brain.

In regard to mind control technology, I found this from Mind Control Technology Risk Group - From electrodes in many different shapes being implanted in the human brain to transmit and receive signals to non-invasive devices that translate brain waves into commands that control not only computer but also body parts are already

becoming a reality. As a result, the thought of any technology that can be weaponized and potentially manipulate brain waves to change human behavior or control human behavior is becoming alarming.

After learning all this I wondered if disconnecting yourself (the core of you) from the system which is 'the false you' created by satan to become like satan and obey satan was the right thing to do. If there were fragmented parts of yourself within the system then isn't this rejecting yourself? I had been taught by God long ago that rejection of self was detrimental and healing needed to be done between the parts of yourself that you rejected and the core of you. Not only this rejecting yourself is rejecting the creation that God made. I decided to study the Bible and see what the Bible said. I found these Scriptures -

But you have not so learned Christ, if indeed you have heard Him and have been taught by Him, as the truth is in Jesus: that you put off, concerning your former conduct, the old man which grows corrupt according to the deceitful lusts, and be renewed in the spirit of your mind, and that you put on the new man which was created according to God, in true righteousness and holiness (Ephesians 4:20-24, NKJV). The word 'put off' in Greek is **Apotithēmi** and means to put away (literally or figuratively): —cast off, lay apart (aside, down), put away (off).

"I am the true vine, and My Father is the vinedresser. Every branch in Me that does not bear fruit He takes away; and every branch that bears fruit He prunes, that it may bear more fruit. You are already clean because of the word which I have spoken to you. Abide in Me, and I in you. As the branch cannot bear fruit of itself, unless it abides in the vine, neither can you, unless you abide in Me (John 15:1-4, NKJV).

If your right eye causes you to sin, pluck it out and cast it from you; for it is more profitable for you that one of your members perish, than for your whole body to be cast into hell. And if your right hand causes you to sin, cut it off and cast it from you; for it is more profitable for you that one of your members perish, than for your whole body to be cast into hell (Matthew 5:29-30, NKJV).

I then received a revelation. We are to embrace that which God made, which is ourselves, as we are made in His image, but we are to put off/separate ourselves from that which is not Godly. We can then ask God to bring back to us that which He has cleansed, delivered and healed. Regarding the system, this was not Godly as it was created by satan using satanic/occultic means. The alters that were slaves to satan would need to be cleansed, delivered and healed by Jesus then integrated back into the core when Jesus was ready. Jesus impressed upon me that after praying this prayer He would decide the right time to do this because the person who wanted to be disconnected from the system would need to have a safety shield in place. The Bible talks about how if a demon comes out of a man and that man has not been changed by the Holy Spirit then he can bring 7 more demons more wicked than before and the state of that man would be worse. The safety shield in this case is that the person needed to be filling themselves with the things of God. This includes reading and declaring the word of God, praising, worshipping and filling themselves with His truths. ***Finally, brethren, whatever things are true, whatever things are noble, whatever things are just, whatever things are pure, whatever***

things are lovely, whatever things are of good report, if there is any virtue and if there is anything praiseworthy—meditate on these things. The things which you learned and received and heard and saw in me, these do, and the God of peace will be with you (Philippians 4:8-9, NKJV).

(PRAYER) – “In the name of Jesus Christ of Nazareth I forgive those who programmed me using High-tech equipment, torture, demonic spirits, mind control, trauma and anything else to turn me into a follower of satan. I renounce and repent following satan and serving him. I repent for all those in my bloodline who did programming on anyone to turn them into followers of satan. I renounce all lies, deception, fantasy and delusion that was fed into me and ask for revelation of truth only. I forgive those who over-rode my free will using invasive techniques to try to control me. I take authority over all the systems programming within me and render it powerless in the name of Jesus Christ. Lord Jesus Christ I ask You to disconnect the ‘me that You created’ from this ‘false me that was created by satan and his followers’. I give this ‘false me’ that is the system to You and ask You to cleanse, de-programme, deliver and heal and return to me only that which is needed so I can become whole and who You intended me to be. I ask that You would rescue any alters that are trapped in captivity within the system and return them to me once they are renewed. I pray that You would also disconnect me from the network who is the established social-economic-political system controlling the world, and that You would disconnect me from satan and all his operations, entities and assets as they are counterfeit power sources. I command all demons who are part of the system to leave immediately in Jesus name. I now ask for You Lord Jesus Christ of Nazareth to connect my spirit, soul and body to You as my one true power source. Recreate in me a clean heart and a sound mind. Please remove all the implanted and traumatic memories and create in me new memories that are of the Kingdom. Thank You, Lord Jesus, Amen.”

Soul Trading – ***“Likewise, son of man, set your face against the daughters of your people, who prophesy out of their own heart; prophesy against them, and say, ‘Thus says the Lord GOD: “Woe to the women who sew magic charms on their sleeves and make veils for the heads of people of every height to hunt souls! Will you hunt the souls of My people, and keep yourselves alive? And will you profane Me among My people for handfuls of barley and for pieces of bread, killing people who should not die, and keeping people alive who should not live, by your lying to My people who listen to lies?” (Ezekiel 13:17-19, NKJV).***

Because of the multitude of harlotries of the seductive harlot, The mistress of sorceries, Who sells nations through her harlotries, And families through her sorceries (Nahum 3:4, NKJV).

Soul traders are those who buy and sell the souls of men. In high level satanic covens’ soul trading is where one will sell a soul to satan for the exchange of something in return. This can also mean the selling of someone’s else soul. **The pact can be between a person and Satan or a lesser demon. The person offers their soul (or someone else’s soul) in exchange for diabolical favours. Those**

favours vary, but tend to include youth, knowledge, wealth, fame, eternal life or power.

Recently a lady who is a victim of Satanic Ritual Abuse contacted me to say that another person who had been helping her had seen her dead step grandfather attached to her silver cord sucking the life out of her. The silver cord is the cord between your physical body and your spirit. ***Or ever the silver cord be loosed, or the golden bowl be broken, or the pitcher be broken at the fountain, or the wheel broken at the cistern. Then shall the dust return to the earth as it was: and the spirit shall return unto God who gave it (Ecclesiastes 12:6-7, KJV).*** When the silver cord breaks, the spirit (which is the life force and breath of God) leaves the body and goes back to God. She shared that this person who had seen her step Grandfather had been given a revelation that her step grandfather had made a 'soul trade' agreement with satan, to sell her soul to Him for the exchange of eternal life for himself. The step Grandfather in question is no longer alive so this meant that now he was dead he was able to attach himself to her and live through her.

When I heard this, I thought immediately to myself that a demon was posing as her step grandfather because one of the very first things God revealed to me when I was born-again, was that spirits of the dead cannot communicate with the living and that ghosts were not people but instead demons posing as loved ones. Although I knew this to be true, I had never studied fully the Scriptures to see what they say about this and whether what I had been told could be backed up by the Bible. If it was God that I heard then He will never go against His word and His word will always back up what He says.

What does the Bible teach happens to one's spirit or soul after death? ***His spirit departs, he returns to his earth; In that very day his plans perish (Psalm 146:4, NKJV).***

And many of them that sleep in the dust of the earth shall awake, some to everlasting life, and some to shame and everlasting contempt (Daniel 12:2, KJV).

"As the cloud disappears and vanishes away, so he who goes down to the grave does not come up. He shall never return to his house, nor shall his place know him anymore" (Job 7:9-10, NKJV).

And fear not them which kill the body, but are not able to kill the soul: but rather fear him which is able to destroy both soul and body in hell (Matthew 10:28, KJV).

And as it is appointed unto men once to die, but after this the judgment (Hebrews 9:27, KJV).

And these shall go away into everlasting punishment: but the righteous into life eternal (Matthew 25:46, KJV).

When one dies, the spirit/soul goes to Jesus for judgement and after judgement you live either in Paradise (Heaven) or Hades (Hell). If this dead man was attached to

her in any way, it goes against the Scriptures, so this means it was not her grandfather. Scripture also tells us that only God can give eternal life through the sacrifice of Jesus which means satan does not have the power or control to do that. If it wasn't her grandfather, who was it? I believe a familiar spirit.

What does the Bible say about familiar spirits? ***A man also or woman that hath a familiar spirit, or that is a wizard, shall surely be put to death: they shall stone them with stones: their blood shall be upon them (Leviticus 20:27, KJV).***

The word familiar spirit in Hebrew according to Strongs concordance is 'ôḇ and means 1) water skin bottle, 2) necromancer, one who evokes the dead, ghost, spirit of a dead one, 3) practice of necromancy, 4) one that has a familiar spirit. Another name for one who has a familiar spirit is medium and their sole purpose is to contact the dead.

I then took the word wizard back to the Strongs concordance in Hebrew and it is yid'ōnî and means 1) a knower, 2) one who has a familiar spirit, 3) a familiar spirit, soothsayer, necromancer.

Balaam also the son of Beor, the soothsayer, did the children of Israel slay with the sword among them that were slain by them (Joshua 13:22, KJV). The word soothsayer in Hebrew is Qāsam and means 1) to practice divination, divine, 2) of diviners of the nations, Balaam 3) of false prophets of Israel 4) prohibited.

And it came to pass, as we went to prayer, a certain damsel possessed with a spirit of divination met us, which brought her masters much gain by soothsaying (Acts 16:16, KJV). We then come to the New Testament where Paul and Silas were troubled by a girl possessed with a spirit of divination which they cast out of her. The word divination in Greek is **python** and means 1) in Greek mythology the name of the Pythian serpent or dragon that dwelt in the region of Pytho at the foot of Parnassus in Phocis, and was said to have guarded the oracle at Delphi and been slain by Apollo, 2) a spirit of divination.

To conclude with this study a familiar spirit is a demon that mediums, soothsayers, fortune tellers, and wizards use for their purposes. This demon according to Scripture is the spirit 'python'. Python is the familiar spirit who poses as dead family members or other dead people. Why would satan do this? The answer is to simply allow people to believe when they die they can wander the earthly realm or spirit realm and leads them away from needing Jesus as their Lord and Saviour.

I then sought the Lord Jesus to see what He could reveal about all of this. This is what I believe I heard Him speak ~ ***“Was it her grandfather? No it was a familiar spirit posing as him. Satan cannot do outside of what I allow. Her Grandfather did indeed make a deal with satan that he would give her soul to satan for the exchange of eternal life for himself. He was deceived because satan cannot offer eternal life, only I can. My sacrifice does that. The lady in question was ‘her grandfather’s sacrifice’. He was sacrificing her life for his. He sold her life to satan. Although there is a contract stating satan owns her life, I am still the one in control. Satan cannot kill unless I allow it. This means a demon posing as her grandfather could attach itself to her silver cord and suck the life from her silver cord. It was able to do this because of the contract made to***

exchange his life for hers. The silver cord is the link between spirit and physical body. Once severed there is death. It is the lifeline. The spirit feeds the physical body through the silver cord. The demon cannot sever her silver cord, but it can suck and draw the life from it. There can also be a counterfeit silver cord between soul and physical body. Satan is the great mimic. This is what occultists use to astral travel. They project part of their soul out of their body using the counterfeit silver cord. This is not the God-given silver cord, but a counterfeit one and is given by satan to astral project.”

I then asked God if **living** astral travellers can jump inside another person's body and control them. I was pretty sure they couldn't, but I was hearing more and more about this, and many were believing they could. The only reference to people inhabiting the bodies, souls or spirits of people I could find in the Bible was Jesus Himself (when we ask Him to come into our hearts), but even then, it is the Holy Spirit that is sent to live in us. The Holy Spirit is the same Spirit that was in Jesus, and which made Him fully God. After I asked the question, I saw a picture of someone clinging to the back of another and their counterfeit silver cords were entwined. In the case of an astral person trying to control another I saw that they were talking into the mind of the other person words using the power of suggestion to control and manipulate. They were NOT living inside the other person.

I then asked God what happens to ungodly soul ties between people when one dies? He revealed to me that ungodly soul ties can remain active and alive on the end of the living person whilst the other part that was once linked to the now deceased person is inactive. If there is something like unforgiveness toward the dead person that still needs healing, then the soul tie still has power and is fed demonically until it is dealt with.

The last thing about all this I asked was, 'Can someone who has made a deal with satan to serve him, be used for his purposes once dead if they are sent to his kingdom? In other words, if a part of someone who is living has a part of their soul in captivity in the second Heaven or Hades can satan use those who are dead to torment people's soul in the spirit realm? The Lord said to me that His judgement is final. When one dies without Jesus and His sacrifice, then they go to eternal torment. This judgement is final. Satan cannot offer them favours and remove the torment if they become the tormentor and work for him to torment captive souls. He cannot go above or overturn the judgment of God.

(PRAYER) – “Father God in Jesus name I repent for myself and bloodline for the sin of soul trading. I repent for selling my soul or the soul of another to satan in exchange for something from him. I repent for sacrificing anyone to satan by giving their life to him to exchange for eternal life. I forgive anyone including (name the person if you know who they are) who exchanged my soul for theirs. I forgive them for turning me into a living sacrifice and for selling my soul and giving my life over to satan. I renounce being a living sacrifice for satan. In accordance with **Romans 12** I offer myself as a living sacrifice to Jesus Christ. I renounce the lie that satan is in control of whether I live or die. God is in control of all things. I break all ungodly soul ties with satan and to all the people who sacrificed me in soul trading to satan. I command all demons in conjunction with these soul ties to leave in Jesus name. I break all contracts in regard to soul trades in Jesus name. I speak to any demon posing as the people who were promised eternal life and command you to leave my

silver cord now in Jesus name. Father God, I ask that You would cleanse my Godly silver cord and I ask You to remove and dismantle any counterfeit silver cords in Jesus name. Thank You Jesus, Amen”.

Post Deliverance Infilling Prayer - “I break every curse over my life from preconception to the present day in the name of Jesus Christ. I ask Father God that every curse would be replaced with a blessing. In the name of Jesus and by the stripes He bore on His body I pray for healing within every area of my spirit/soul and body. (*Pray specifically for all ailments*). I command all misalignments to come into divine order in Jesus name. I cast out the spirit of infirmity in Jesus name. I cast out fear, shock and trauma in Jesus name. I command every fibre, every cell and every part of this body to come into divine order. I command all pain to leave in Jesus name. I pray for a creative miracle in all areas where body matter needs to be regenerated. I command all cells, cell structure, DNA, RNA, and all parts of the spirit/soul and body not to remember all traumas in Jesus name. I pray for the fire of God to burn off all remaining remnants and dross in Jesus name. I command every demon who has access to me to leave immediately in Jesus name. With the blood of the lamb I seal all doorways closed to the demonic and declare that demons can only exit and not re-enter. I bind the demonic doorkeepers and terminate their assignment against me in Jesus name. I ask for the Holy Spirit to infill with light all areas that were once dark in Jesus name. I pray for a hedge of protection to be placed around me and for any holes to be repaired in Jesus name. Thank You Father God in Jesus name for delivering me”.
